2nd WEEK | 8–12 APRIL 2019

Observing Lessons / Short interns

Focus on:

**What was observed in upper-school classes (9–12)
Daily routine in a fully developed upper school**

Participants are to find a school in Germany or neighboring country that accepts internships.

Ask colleagues who have already been to schools in Europe for help.

Participants are responsible for organizing travel between Kassel and host school themselves.

3rd WEEK | 12–18 APRIL 2019

International Refresher Course Week

Focus on:

Main lessons in Class 12

Discuss teaching with colleagues from over 30 countries.

Be inspired by lectures and subject seminars.

You will find German, English, and bilingual courses.

For details see special program attached.

Conference Fee for weeks I & III of International Training Weeks is 500 Euro.
